

## Important COVID-19 Information Update

While there is no doubt 2020 and 2021 has provided some incredible challenges so far, we wanted to let you know that Travel with Me is still here and going strong. With the closure of our Domestic and International borders we have been working extremely hard to find ways to keep our members travelling and to continue to provide new adventures for our solo travellers.

We have reintroduced some of our favorite local short breaks and have also added on some new adventures that we are sure you are going to love, some escorted by Travel with Me and others escorted by some wonderful Western Australian Tour Operators.

We want to assure you that we have the safety and well being of all our clients front of mind and as such have implemented the following operational procedures on all Travel with Me Escorted Journeys.

- Your escort, Annette Porter, has completed the Western Australian government Covid 19 hygiene training course for the delivery of tourism and hospitality experiences.
- All suppliers used across our tours will need to meet COVID regulations
- Implemented improved coach cleaning methods
- Using disposable cups and utensils where possible
- Passengers will be required to handle their own luggage so please pack light
- Please do not travel if you are feeling unwell
